

Summer Camps 2018

Down on the Farm

June 4th—8th (Potty-trained 3s-Rising 1st graders)

9am—1pm

\$140

We will spend some time outside learning what it's like to live on a farm. In addition to gardening, arts and crafts, stories, science and nature, and outdoor play, we will have special visits from farm animal friends!

Creative Cooking

July 16th—20th (Potty-trained 3s-Rising 1st graders)

9am—1pm

\$140

Children will enjoy an immersive experience, not only learning about their favorite foods and where they come from, but also applying recipes and gardening techniques to create them. They will enjoy games, crafts, and hands-on cooking activities each day, culminating in an end-of-the-week food fight and water day!

Science & Art

August 6th—10th (Potty-trained 3s-Rising 1st graders)

9am—1pm

We will use our scientific brains to explore different topics through art. Why are there craters on the moon? Let's make some using our own home-made moon rocks! Gravity painting, Newton's laws in action, and much more!
